

KUN RIYADI

PLAY & EXPLORE (4 - 7 YEARS)

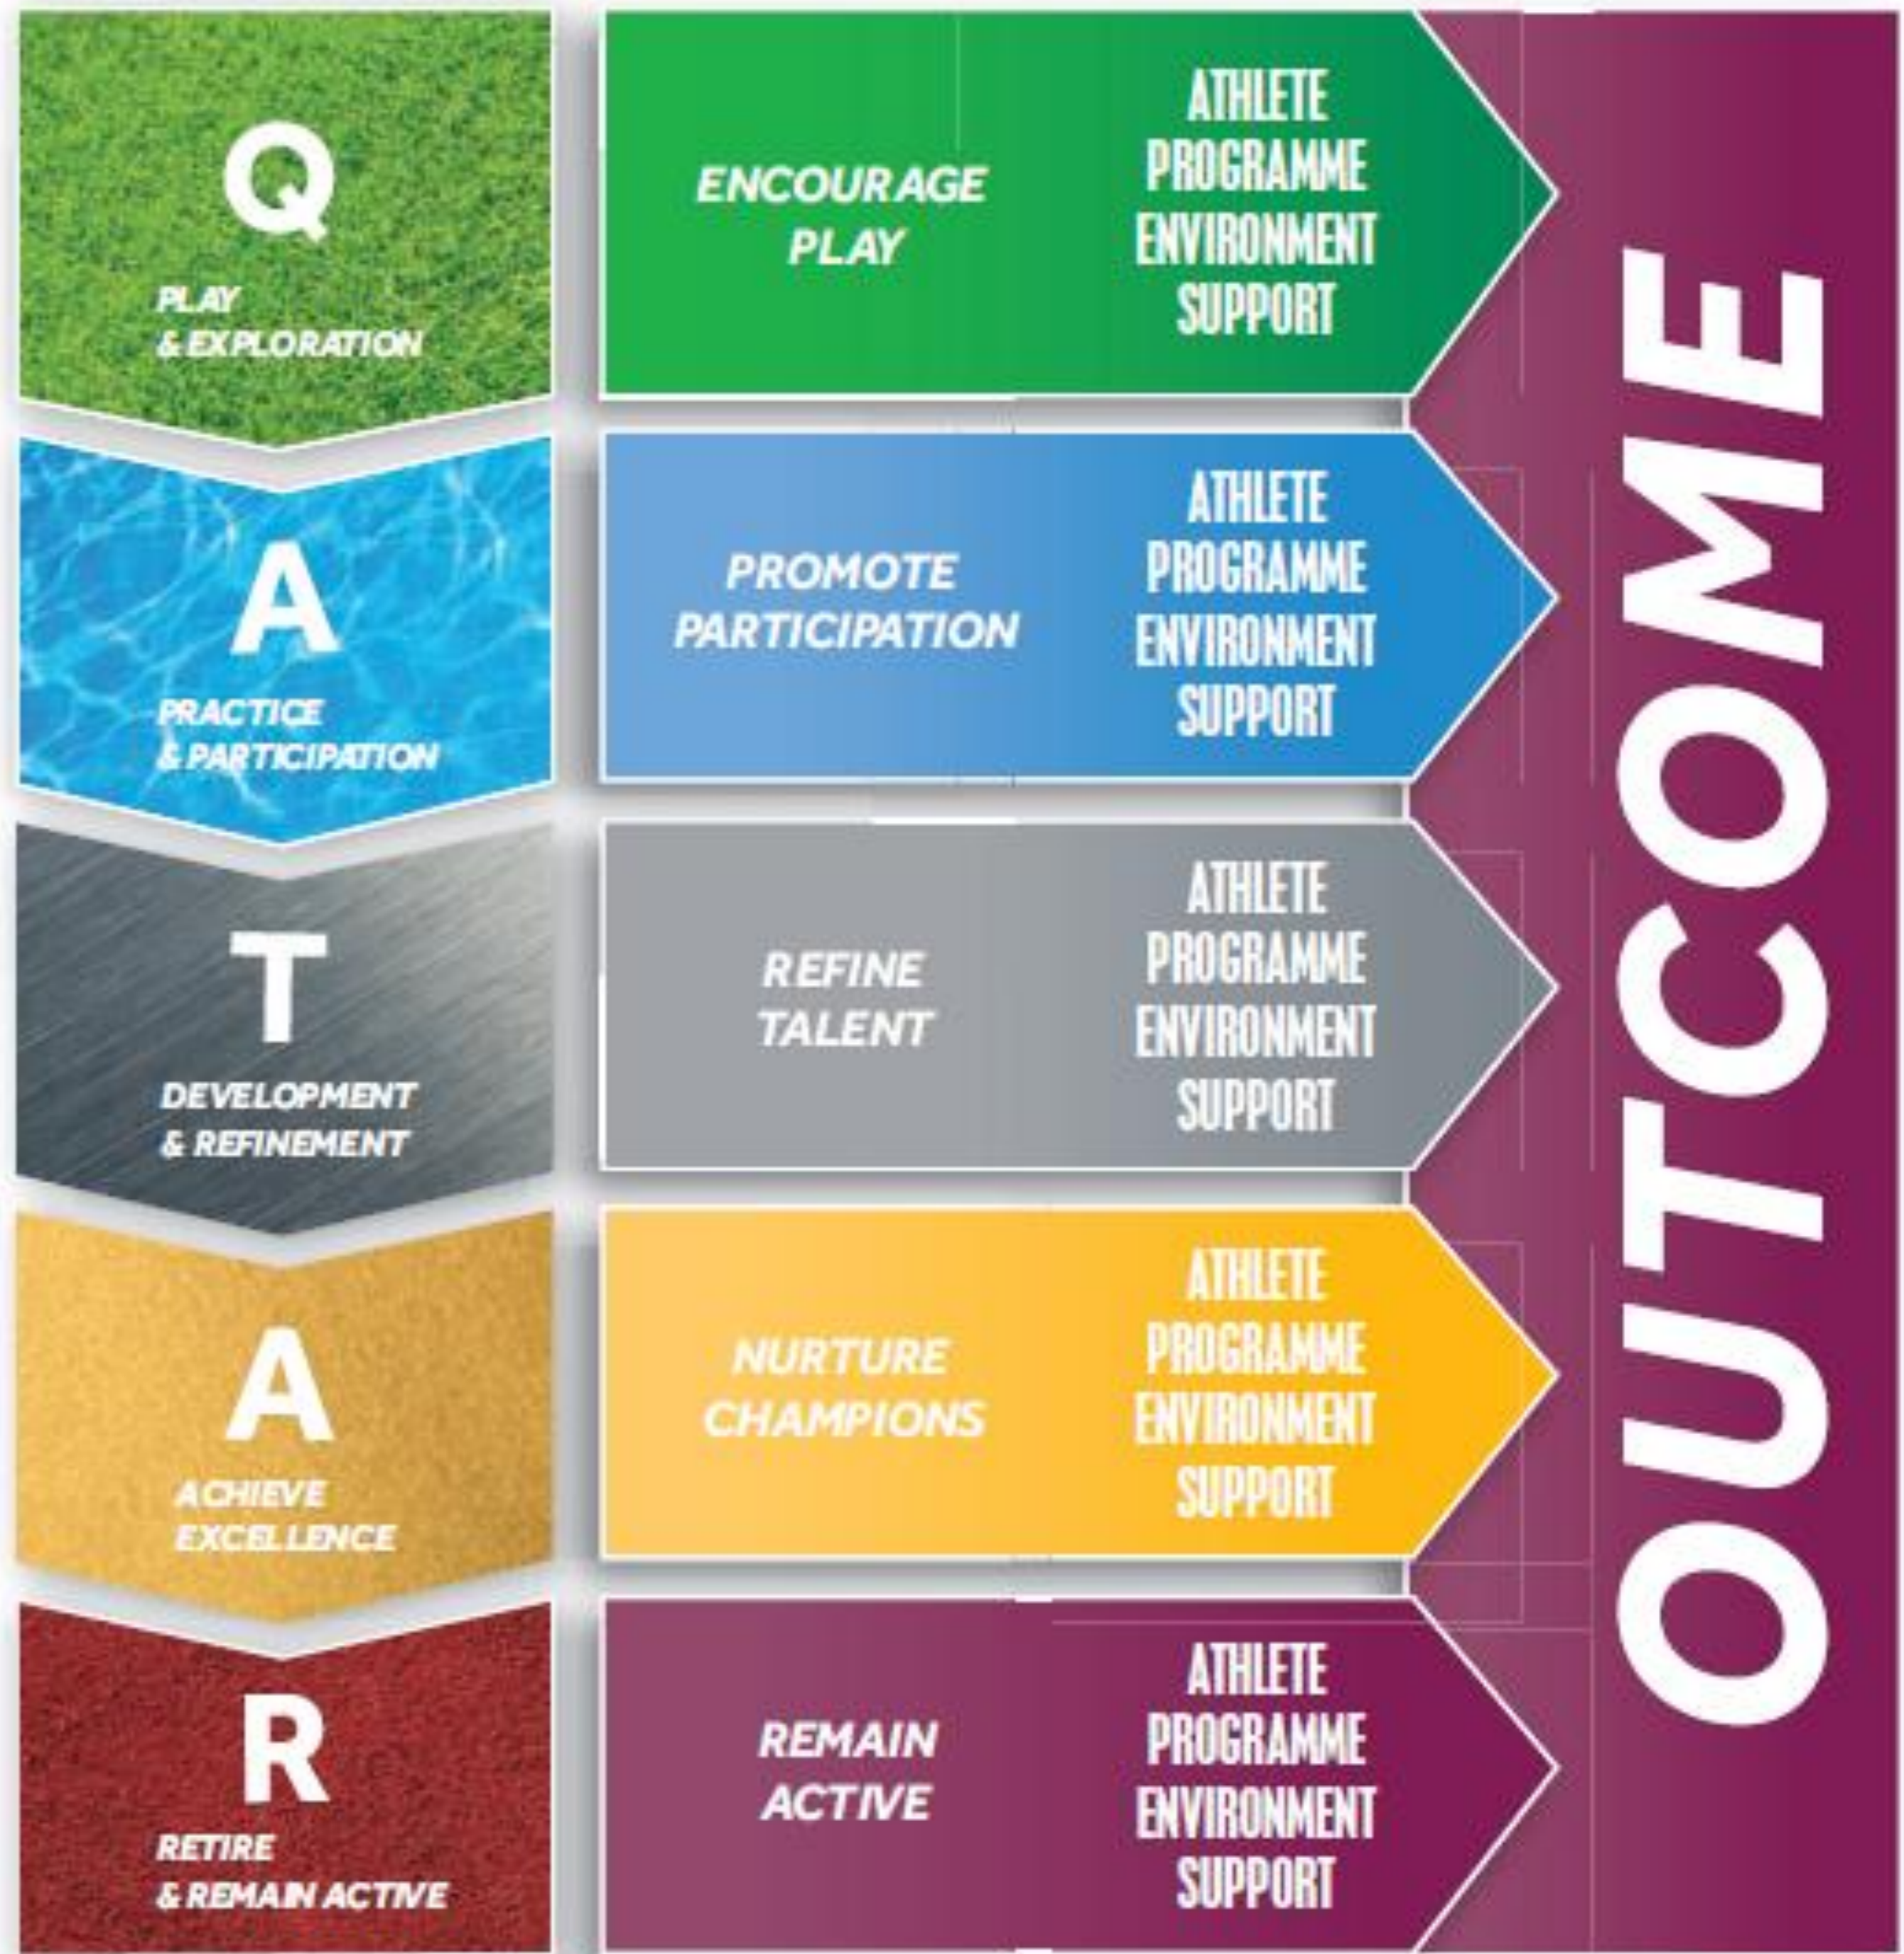

ABOUT THE PROGRAM

The **Qatar Olympic Committee** has a prominent international standing in the sports field and has become a leader for sports and athletes. This has been achieved through the strategic plans and the promotion of a sporting culture among all members and segments of Qatari society.

The “KUN RIYADI” project is one of the most important projects within the Sports Sector Strategy.

The project is tasked with developing the sports Culture among School kids, promote sports in General and Aquatic Sports Specifically.

Few words from Our President

«We need to work hard, invest and create the right framework for the development of our athletes»
